1. The Number of Claims Filed and Results on Biliary Tract Cancer Cases <u>at Printing Plants</u>

Table 1.1   The Number of Claims Filed on Biliary Tract Cancer Cases at Printing Plants in Japan

31 Aug 2014, Tokyo

	Total	Age group					
		-29	-39	-49	-59	-69	70-
Number of claims	89(55)	1 (1)	11 (5)	24 (11)	15 (12)	27 (19)	11 (7)

Ministry of Health, Labour and Welfare

1) Numbers within brackets indicate the numbers of deaths at the time of claim.
2) Age group is based on the age at the time of claims or at the time of death.

Table 1.2   The Results of Biliary Tract Cancer Claims <u>at Printing Plants</u> in Japan

11 Sep 2014, Tokyo

	Number of Cases	Age group					
		-29	-39	-49	-59	-69	70-
Total number of claims fully reviewed and concluded	65 (43)	1 (1)	11 (5)	19 (9)	13 (11)	15 (12)	6 (5)
Number of claims recognised as work-related diseases	34 (15)	1 (1)	11 (5)	17 (7)	4 (2)	1 (0)	
Hokkaido Prefecture	2 (1)				2 (1)		
Aomori Prefecture	1 (1)			1 (1)			
Miyagi Prefecture	2 (0)		1 (0)	1 (0)			
Saitama Prefecture	1 (0)			1 (0)			
Tokyo Prefecture	1(0)				1(0)		
Shizuoka Prefecture	1 (0)			1 (0)			
Aichi Prefecture	4 (2)		1 (1)	3 (1)			
Kyoto Prefecture	1 (1)				1 (1)		
Osaka Prefecture	19 (9)	1 (1)	9 (4)	8 (4)		1 (0)	
Fukuoka Prefecture	2 (1)			2 (1)			
Number of claims denied	31 (28)			2 (2)	9 (9)	14 (12)	6 (5)

Ministry of Health, Labour and Welfare

1) Numbers within brackets indicate the numbers of deaths at the time of conclusion.
2) Age group is based on the age at the time of claims or at the time of death.

3) The numbers are on the basis of the conclusion at workers' compensation panel.

2. The Number of Claims Filed and Results on Biliary Tract Cancer Cases（other than printing plants）

Table 2.1 The Number of Claims Filed on Biliary Tract Cancer Cases in Japan

（other than printing plants）   31 Aug 2014, Tokyo

	Total	Age group					
		-29	-39	-49	-59	-69	70-
Number of claims	22 (14)		1 (1)	2 (1)	5 (5)	8 (3)	6 (4)

Ministry of Health, Labour and Welfare

1) Numbers within brackets indicate the numbers of deaths at the time of claim.
2) Age group is based on the age at the time of claims or at the time of death.
● The claims are of industries in various manufacturing (13), cleaning service (2), other service (1), retail (3) and construction (1).

Table 2.2 The Results of Biliary Tract Cancer Claims in Japan

（other than printing plants）   11 Sep 2014, Tokyo

	Number of Cases	Age group					
		-29	-39	-49	-59	-69	70-
Total number of claims fully reviewed and concluded	11 (10)		1 (1)	1 (1)	4 (4)	3 (3)	2 (1)
Number of claims recognised as work-related diseases	0 (0)						
Number of claims denied	11 (10)		1 (1)	1 (1)	4 (4)	3 (3)	2 (1)

Ministry of Health, Labour and Welfare

1) Numbers within brackets indicate the numbers of deaths at the time of conclusion.
2) Age group is based on the age at the time of claims or at the time of death.
3) The numbers are on the basis of the conclusion at workers' compensation panel.

3. The Characteristics Filed on Biliary Tract Cancer Cases <u>at Printing Plants</u>

Table 3　Breakdown of Table 1.1 by pleural cases at single printing plant in Japan

<div align="right">31 Aug 2014, Tokyo</div>

		Number of Claims	Age group					
			-29	-39	-49	-59	-69	70-
Total number of claims		89 (55)	1 (1)	11 (5)	24 (11)	15 (12)	27 (19)	11 (7)
Number of pleural cases at single printing plant	Plant in Osaka Pref. concluded on 14 March and 21 May 2013	17 (7)	1 (1)	8 (3)	8 (3)			
	Plant in Miyagi Pref. concluded on 13 June 2013	2		1	1			
	Plant in Fukuoka Pref. concluded on 13 June 2013	3 (2)			3 (2)			
	Plant in Hokkaido Pref. concluded on 1 August 2013 and 31 January 2014	2 (1)				2 (1)		
Number of other claims		65 (45)		2 (2)	12 (6)	13 (11)	27 (19)	11 (7)

<div align="right">Ministry of Health, Labour and Welfare</div>

1) Numbers within brackets indicate the numbers of deaths at the time of claim.
2) Age group is based on the age at the time of claims or at the time of death.
3) No other pleural cases at single printing plant than the above listed plants.
4) Additional 20 claims are filed for biliary tract cancer at other industries.
